\$297,500 Year: 2022 | Length: 30.77 ft | Malaysia

AQUILA 28 MOLOKAI

OVERVIEW

Available for delivery now in Malaysia! Introducing the Aquila 28 Molokai. The incredible ride, inspired by native Hawaiian watercraft, is born from the rigors of island hopping in the tumultuous waters of the Pacific Ocean, making the Aquila 28 Molokai Power Catamaran perfectly suited for almost any boating condition.

The impressive stability and formidable ride along with the large aft and forward cockpits make the Aquila 28 Molokai ideally suited for offshore fishing with family and friends, tournament competition, and even professional charter sportfishing. And, although the Aquila 28 Molokai Power Catamaran is primarily designed as a fishing platform, family-friendly features abound.

When not being used for offshore fishing or diving, friends and family can enjoy other waterborne activities, including tow sports, or just relax onboard while visiting a favorite dockside restaurant, sand bar, or island. Lounge on the bow seating area or pull up the bow table and enjoy your favorite beverage at sunset with up to 10+ guests onboard.

Because the hulls are spaced wide apart, the broad stance makes it easy to walk around both sides of the center console. The position of the center console provides a 360-degree line of sight with controls strategically positioned for ease of operation. The extra-large console dash is designed to support two large multifunction displays along with the Mercury® engine monitoring displays and Fusion® sound system head unit.

The Molokai is truly a versatile boat that amplifies your boating lifestyle.
