The starboard port VIP has a large double bunk down and a single Pullman berth overhead, including a desk with a TV. This stateroom has its own en-suite head and shower.

Guest Stateroom

The port side guest cabin is an over under bunk room with Pullman berth overhead with en-suite head and shower.

Crew Quarters

The crew stateroom is forward of the galley on the maindeck. It has over and under berths with an en-suite head and shower. The vessel's washing machine is also located in this area. There is access to the interior of the boat through the galley. This stateroom also has another access to the foredeck through a watertight door.

Cockpit

The cockpit is very large with a Release Fighting chair complete with Rocket Launchers. The chair is mounted on a Release marine offset. There is a large refrigerated fish box in the transom with large under gunnel storage areas for wash poles or rods as well. Moving forward there is an access to the engine room center lined underneath the stairs up to the main deck. To port there is a large tackle storage closet with a day head to stbd.

Flybridge

The Flybridge includes two control stations for fishing and running. The forward station is designed for comfort while traveling. A climate-controlled area surrounded by isinglass makes traveling to the fishing grounds much easier. There are three large pop up control boxes with all updated electronics. The control station itself is a teak pod with single lever controls. A large built in seating/lounging area is perfect for guests while traveling. This area can also be used as an extra room to enjoy while the boat is docked or at anchor. Overhead a large rod storage box is neatly hidden. The aft driving station is designed for fishing with a teak pod and single lever controls. There are three large helms seats at this station with a bicycle seat facing aft for fighting fishing. There is also a large drop in freezer to the starboard side of the aft control station.
