

PRINCESS 82

£2,500,000 Year: 2015 | Length: 83 ft | Thailand

PRINCESS 82

OVERVIEW

The prestigious Princess 82 Motor Yacht is graceful and exhilarating at the same time. Her expansive windows afford you exceptional visibility from the main deck, whilst her flybridge is thoughtfully equipped with soft sunpads, a teak dining table, intimate seating and a dedicated wetbar.

At sea, the Princess 82 is capable of achieving upwards of 30 knots top speed, whilst her well-designed hull and modern TRAC Star fin stabilisers make quick work of what the ocean and its waves have in store.

After a fun-filled day of boating, when the sun sets and it's time to enjoy some good rest, a full-beam master cabin with a large en-suite and a walk-in wardrobe awaits the owner, whilst three guest en-suite cabins comfortably accommodate family and friends. Should you wish to have crew on board, the yacht sleeps two in her well-appointed crew cabin.

This Princess 82 was built to a very nice equipment specification, and is in excellent condition awaiting her next owner. Please contact us to arrange a viewing!

MEASUREMENTS

Length: 83 ft

Beam: 19 ft

Displacement: 111,800 lb

PROPULSION

Engine No: 1

Engine Make: Caterpillar

Engine Model: C32A

Engine Year: 2015

Engine Fuel Type: diesel

Engine No: 2

Engine Make: Caterpillar

Engine Model: C32A

Engine Year: 2015

Engine Fuel Type: diesel

Engine Power: 1622HP

Engine Power: 1622HP

CONSTRUCTION

Max Draft: 6 ft

BOAT DETAILS

Specification

ENGINES AND DRIVE

Twin Caterpillar C32 A (2 x 1622mhp)

Third station controls in cockpit including engine & thruster controls
